Tanning of your skins and capes brings the following advantages to you:

- 1. Will reduce your shipping weight and volume substantially, thus saving you on freight charges.**
- 2. Will speed up your mounting taxidermy process in your home country.**
- 3. Any damages to capes and skins will be noted and we will be able to replace them here, saving you time and money to locate replacement in your home country.**
- 4. This will also ensure a better quality cape and skins with no hairslip and folding marks.**
